Maranoa House

A welcoming, secure and homely environment

BASS Care provides a range of programs at Maranoa House designed to cater for the needs of both the people with confusion and memory loss and their carers. Maranoa House is a welcoming, secure, homely environment in a charming setting, an invaluable respite option for carers.

Three main functions operate from Maranoa being:

1. Planned Activity Group
2. Overnight & Evening Respite Program
3. Maranoa Carers Group

1. Planned Activity Group (PAG)
The PAG operates 6 days a week, providing activities for those with mild, moderate or severe dementia. Familiar household tasks, meal preparation, gardening, walking, music and other recreational activities form the basis of the programs. The programs include:

- In House Programs (Mon & Thurs)
- Going Out Groups (Wed, Fri, Sat)
- Italian Days (Tues & Fri)
- ‘Just Blokes’ Group (Wed)
- Younger Onset Dementia Outing (50 – 65 years, Thurs)

The programs are conducted Mondays to Saturdays from 10:00 am to 3:00 pm. A modest fee covers a hot midday meal, morning and afternoon tea and restricted local bus transport.

Incontinence, wandering and other behavioural changes do not exclude people from the programs, however, mobility is required for outings. Occasional supervised care before and after weekday programs is available on request on a fee for service basis.

2. Overnight & Evening Respite Program

An Evening and Overnight Respite Program for up to three clients per night operates on Wednesday evenings and nights. The program operates at Maranoa providing a familiar environment.

Anyone may refer prospective clients who live in Boroondara or surrounds and are cared for at home.

If you have a friend or relative who would benefit from attending the PAG, respite program or carers group please contact the Manager on 03 8809 4979 for further details.

3. The Maranoa Carers Groups

The task of caring for a person at home often falls to a spouse, relative or close friend and is complex and demanding, often made more difficult due to a lack of support. Carers often find their relationships are put on hold and their leisure time gradually disappears. The people most likely to know how to help and understand you are those with similar experiences.

The Maranoa Carers Groups offers support by providing an opportunity for Carers to:

- enjoy some time out
- learn more about the changes and challenges of care giving
- share experiences with others in a supportive environment
- make new friends through regular social gatherings
- assist and encourage one another

The Carers Group meet on the 4th Monday of each month at 12 noon (light lunch included).

For further information contact the Manager of Maranoa House on 03 8809 4979.
