

COMMUNITY GARDEN SMALL SEEDS PROJECT LAUNCH

We are excited to announce a new community garden program run at the Canterbury Centre in collaboration with the Canterbury Neighbourhood Centre.

Please join us for the **Small Seeds** launch on May Day as we unveil the new garden and plant our first crops. Our garden is equipped with raised garden beds for easy access for all. We will have a special 'garden' themed lunch afterwards in the hall at the Canterbury Centre and toast to the garden's success!

**Wednesday 1st May
11am – 1.30pm**

Canterbury Centre, 2 Rochester Road Canterbury
\$20 including a three course lunch with drinks
Transport: available for \$5 each way (booking required)

Bookings 9880 4709 or email social.support@basscare.org.au
