Privately funded home care

means you pay for your services out of your own pocket. Whilst there is no government funding it could be the right choice for you if you:

- require short term assistance in managing post discharge from an unexpected hospital visit
- need some short term care
- don't meet the eligibility requirements for government funding or do not wish to participate in the My Aged Care assessment process
- are on the waitlist for a Home Care Package but require assistance at home now.

So if you require assistance in setting up services in your home come visit us at 131 Maling Road, Canterbury or phone **8809 0050** and our friendly staff can answer all your questions.

Further details available online or call to speak to our friendly staff

Your life, your care, your way

Home Care Services tailored so you can live your best life in the comfort of your own home

Tailored Home Care, matched to you

We are a government registered provider of Home Care Packages and government subsidised Personal Care and Domestic Assistance.

At BASScare we understand that your greatest wish is to remain living in your own home. We know that you may hate asking for help and that you want to manage your own care for as long as you can. But at BASScare we believe getting some help does not mean losing your independence.

Our services aim to help you stay comfortable, happy and safe in your own home and designed to suit you and your needs.

We can provide services to:

- **Keep you healthy**, such as personal care, nursing services, meals at home and podiatry.
- **Help keep you safe** at home such as cleaning, maintenance/modifications to your home.
- **Keep you connected** to your community with transport to shops or places of interest and participating in activities.

How to fund your services

The Australian Government provides funding for home care services from basic needs through to high care needs.

The Commonwealth Home Support Program (CHSP) can help you access subsidised support services and BASScare can assist you to apply for this program through My Aged Care.

BASScare can provide CHSP funded Personal Care and Domestic Assistance.

Home Care Packages were created for people with more than one care need and enable you to access an extensive range of home care services. BASScare can assist you to apply for Home Care Package through My Aged Care.
