

Tea and coffee (including an automatic coffee machine), are freely available in each unit.

Our on-site kitchen facilities allow our dedicated team of chefs and cooks to provide a varied, balanced and delicious menu with a particular focus on fresh food and high quality, home-style cooking.

We have a 'food first' philosophy, ensuring all residents have access to a fortified diet to meet their weight maintenance requirements without relying on artificial supplements. Our residents are invited to participate in food forums and menu planning, ensuring all cultures, religions, flavours and preferences are considered.

We invite you to book a private tour today.

Life's better shared at Faversham House

Respite & Permanent Aged Care, Canterbury

A residential aged care community

Life at Faversham House is one of friendship and community amidst a welcoming and home-like atmosphere.

Recently refurbished, Faversham House is surrounded by delightful landscaped gardens embracing the ambience of the local Canterbury community.

Our highly skilled and experienced staff deliver care and support that provides residents with security, dignity, comfort and companionship.

Our Model of Care

The right care looks different for everybody. BASScare is committed to providing care that is person-centered and creates the least amount of change to prior routines.

Attractive, relaxing dining and living areas

Our model of care is based on available best practice evidence. Our focus is to provide dignity, choice, independence and respect to our residents.

We maintain high staff to resident ratios, giving you peace of mind knowing that our fully trained and qualified staff are on duty around the clock.

- 6 units within Faversham House
- Each unit is managed by its own in-charge nurse
- There are registered nurses in attendance at all times
- Care is provided by our team of enrolled nurses and personal care attendants.

We offer a range of ability based exercise and physiology programs to help keep our residents agile

Special and allied health services
