BASSCARE

**You may notice in this edition of Staying Connected that the Samarinda Community Centre is now referred to as the Ashburton Seniors Centre.** This is the official name of the building at 296 High Street, Ashburton, which is owned by the City of Boroondara. We have updated our print and digital materials at the Council's request to reflect this. Please be assured there is no change to the programs, services, or the community you know and love. We remain proud of the Samarinda name, which continues to represent our values and the strong connections we've built together over the years. We thank Boroondara Council for their continued support, which enables us to deliver the programs and activities that bring us all together.

## Rob's Take

### Welcome to Spring!

We welcome new faces to our Community Centres. Kate & Peter have joined to run Bus Outings. Rodney departs after 6 years entertaining Bus Outing groups. BASScare runs 14 outings monthly across 2 Community Centres! Sam joins our Social Support team and will be running activities at both Community Centres. We sadly said farewell to our German volunteers Valentina, Sali & Carina in August after their "Gap Year" program. Isabelle, Eleonora, Charlotte and Emilia arrive in September to commence their year assisting at Canterbury Centre and Ashburton Seniors Centre. Please make them all feel welcome.

It's AFL Footy Finals time, the BASScare footy tipping is hotly contested. Footy Finals lunches are being held where the winners will be announced. Wear your team's colours! October has the Victorian Seniors Festival, a month-long celebration of events right across Victoria promoting positive ageing and highlighting the contributions of older adults in our community. BASScare is running "musical-themed" events to celebrate Seniors week.

October also marks Mid-Autumn Festival time for our Chinese and Vietnamese cultural groups. There will be celebrations at Ashburton Seniors Centre the entire week commencing Monday 6th October. Please contact Ashburton Seniors Centre for more details.

## Community Feedback Sessions

In June, BASScare held Community Feedback Sessions at both Community Centres. Both sessions were well attended with clients, BASScare management and respective Boroondara Councillors. We received valuable feedback on our Activity Programs, Administration, Rochester Road re-development, Bus Outings and our Community Centre meals. We will be working through your feedback to ensure your ideas and suggestions are incorporated into our programs.

There are several ways you can contribute your input into what BASScare offers – from program and outing suggestions to the design of Staying Connected, and even what we serve for lunch. Visit us in person or submit your feedback online.
