

In the Everyday, You'll Find the Feeling of Home

Choosing residential aged care can feel daunting, but with clear guidance the way forward becomes easier.

Step 1: Assessment

An Aged Care Assessment helps determine the level of support that's right for you.

Step 2: Visit Our Homes

We encourage you to visit Faversham House and experience our welcoming community firsthand.

Step 3: Understand Your Options

Our team will explain daily life, costs, services and answer your questions along the way.

Step 4: Move In With Confidence

Once you decide, we'll support you through the application and moving process for a smooth transition.

A Place to Feel at Home

At Faversham House, spaces open like an invitation, drawing family and friends into a place that feels warm and familiar.

Shared areas encourage connection, from relaxed coffee moments to conversations that linger in sunlit rooms and scenic gardens. Days are filled with gentle exercise, creative sessions, activities and outings. Freshly prepared meals are served in a restaurant-style setting, creating daily moments to enjoy good food together.

Faversham House offers a range of well-appointed rooms. Each is thoughtfully designed, with private ensembles, personal climate control and carefully considered furnishings, offering space to relax and personalise. Hairdressing, beauty services, movies, a kiosk and laundry add everyday ease with access to allied health and specialist services when needed.

Life at Faversham House is Shaped by Friendship, Warmth and a Genuine Sense of Belonging

Within beautifully refurbished spaces and tranquil landscaped gardens, residents feel part of a welcoming community that reflects the charm of Canterbury itself. Here, support is more than assistance, it's connection, respect and reassurance. Our skilled and compassionate team provides comfort and confidence, helping each person feel secure, valued and at ease.

Our guiding approach is:

- **Grounded in best practice and guided by deep respect for every individual.**
- **Focused on dignity, independence and choice to support meaningful living.**
- **High staffing levels with nurses onsite at all times across six small units.**
